

WALK-IN CRISIS TRIAGE CENTER

TEMPORARILY MOVED

To better serve clients in our Walk-In Crisis Triage Center, we are currently undergoing an exciting renovation and expansion.

Our inpatient units are still in operation, and our Walk-In Crisis Triage Center is temporarily located inside JMCGH in the formal Ayers Children's Medical Center area with an entrance off of Forest Ave near Parking Garage 2 (SEE BELOW).

SCAN (or click) the code for directions to Triage's temporary location in Google Maps

The temporary move will begin May 7 and last approximately 6 months

Drop-off will be available at the entry of the temporary location

Triage parking will be available in Parking Garage 2

Triage phone number in temporary location will still be 731.541.8258

For the latest updates on the renovation progress and return timeline, check the link at the top of the website wth.org/pathways

Follow the green line from Pathways' Summar Dr. location to the temporary Triage location.

thanks for your patience;
good change is happening.
